

# WELCOME TO THE CLUBHOUSE!

## Thanks for your philanthropy!

Wait, what?

Yes, that's right. In addition to great food, laughs and fun, you're supporting Accutech's vision of philanthropy in Muncie.

Why did Accutech, a software and tech company, start The Clubhouse? Because my vision of growth is not limited to serving clients all over the world — it's also serving the people in our very own backyard.

You see, my view on philanthropy isn't about giving to others, it's about serving others by:

1. Creating jobs in our community
2. Improving the quality of place in our community
3. Instilling pride in our community

The Clubhouse @Accutech is our first venture in this view of philanthropy. Every dollar that you spend at the Clubhouse goes directly toward this mission. If the Clubhouse is successful, its profits will create more fun venues for you to enjoy.

So, if you know someone at Accutech, give them a pat on the back because their hard work made this initiative possible. Now, give yourself a pat on the back because you're the one who will make it work.

Thank you for partnering with us. Together, we are creating a legacy to be proud of.

Adam Unger  
President/Owner, Accutech Systems

## DRINKS

### CLUBHOUSE SIGNATURE COCKTAILS

#### THE AFFABLE ARNOLD 9

We all know the standard Arnie is freshly brewed iced tea and lemonade, but rumor has it that when the Mayor of Latrobe had a particularly good round, the mixture included **Sweet Tea vodka**

#### THE ANGRY ARNOLD 10

By the same token, a tough round was finished with the **tea/lemonade mixture and a shot of bourbon.**

#### THE BLUE MONSTER 10

A larger than golf ball-sized spherical ice cube dances in a concoction of **blue curacao with raspberry and citron vodkas** inspired by Doral, the Florida course that bears this nickname.

#### THE CLUBHOUSE OLD FASHIONED 10

This Clubhouse classic calls for your call on the **bourbon** but our call on the bitters...**Fee Brothers** makes it better. Trust us.

#### THE MEDINA MARGARITA 14

One of the most spectacular clubhouses in America also serves one heck of a margarita, probably to take the edge off a tough round at the challenging Chicagoland course. **Top-shelf blue agave and Grand Marnier** tees up this refresher.

#### THE SPIKED IKE 9

All Presidents love golf and Dwight D. Eisenhower liked his rounds with a **Transfusion, a mix of vodka, grape juice, and lime juice.** You will like Ike, too.

#### THE FOOL'S MULE 12

What do you get when you mix Moscow and Kentucky? This. **Vodka, bourbon, ginger beer, and some lime.**

#### THE CHEETAH 11

**Root Beer, Bourbon Liqueur, and Baileys.**

Accutech's founder invented this ultra-sweet libation (as far as we know). It's so smooth and goes down so fast that you'll be convinced you can hit a 300-yard drive at Ray's Bay in no time.
